

## SEASONS

### SUMMER AND WINTER

**Vicky:**

I love summer best of all! We have our school holidays in summer. I love sunny days. We can run, play hide-and-seek and swim in the sea. Do you like to dive, to jump in the big waves and lie in the sun?

**Anton:**

Yes, I do. But I live far from the sea. You are lucky, you live in the South. I live in the North. Summer is cool here. We cannot swim in our river, because the water there is very cold even in July. But winter is a very good season in our place. We can play hockey. It's great! I love it! I am a good player. I like skiing and skating too. And you? Are you a good skier?

**Vicky:** Oh no, I can't ski!

Tell about summer and winter in your place.  
What do you like to do in winter? In summer?
