MR. STORK AND A PLATE, A POT AND A FORK

"Hello, Mr. Stork!
I brought you
a plate, a pot and a fork."

"Thank you a lot.
I need not a plate,
a fork and a pot.
Instead of your fork,
I use my beak.
It's long,
It's strong,
It's quick!

To bring me a pot!
What a silly thought!
I never cook!
I never look
at a cookery-book!
I do not have plates.
Early and late
I eat my frogs,
from bogs
on the logs!"
