

I AM GOING...

Ted: "Hello, Lizzie! How are you?"

Liz: "Hello Ted! I am fine. And you?"

I am sorry, I have no time to talk to you.

I am going to do the shopping.

Our family is going to London on Saturday.

We are going to buy some clothes.

I need a new sweater, new jeans, shorts and a T-shirt. And we are going to buy some presents too.

We are going to buy a nice toy for my little cousin Lily.

She lives in London.

And what are you going to do next week?"

Ted: "I am going to Yevpatoria. This place is at the Black Sea."

Liz: "Oh, it's great! What are you going to do there?"

Ted: "I am going to take part in the Children's Festival. Many children are going to take part in it."

Liz: "Wow!"
