## PETS

Many people like animals and keep them at home. These animals are people's friends. We call them *pets*. It can be a cat, a dog, a fish, a parrot, and even a snake!

### MY KITTEN

Who jumps and runs  
On the rug?  
Who plays all day  
With my sister Kate?

Who drinks my milk  
From my mug?  
And steals my cheese  
From my plate?
