

## FRIENDS

Hello! I am Vicky.  
I am from Yevpatoria.  
It is near the Black Sea.  
It is a very nice place. I like it. These are  
photographs of my friends. This is Ann and  
this is Ted. They are not from Yevpatoria.  
They are from London. They are from  
England. They write me letters and send  
me photos. I send them my letters and pho-  
tos. Sometimes we speak by phone. It is  
great!
